

Need assistance with Math or Reading skills?

Abbott Tutoring Center is here to help!

Abbott Tutoring Center is a non-profit community based organization designed to provide tutoring assistance for children in grades 3-6 struggling in the areas of math and reading.

Our tutors are college educated and hold degrees in a variety of backgrounds from engineering to biology to graphic design. They are trained to assist your student in excelling academically.

Weekly tutoring sessions including light meal every Tuesday
5:45 pm - 7:15 pm
Abbott Memorial Presbyterian Church
3426 Bank Street

Our tutors are committed to providing a safe and comfortable environment for your child to have a valuable learning experience.

Please fill out attached information slip and return to your child's teacher in order to set up an initial consultation and assessment of your child's needs with the education coordinator for Abbot Tutoring Center.
